JAMAICA FOR \$ALE

A FILM BY
ESTHER
FIGUEROA &
DIANA
McCAULAY

This engaging film counters the dominant view that tourism is the savior of the Jamaican people. Lively and hard hitting, with powerful voices, arresting visuals and iconic music, JAMAICA FOR SALE documents the environmental, economic, social and cultural impacts of unsustainable tourism development. As Jamaica is irreversibly transformed by massive hotel and luxury condominium development, JAMAICA FOR SALE both documents this transformation and tries to turn the tide.
